We'd like to book you for our wedding!

Such exciting news!

You will now have received your bespoke quote and I will have confirmed if your date is available in my diary.

From here, I will send you your booking confirmation detailing your selected packages and confirmed price.

To officially secure your date, I require a **£100.00 non-refundable security deposit** and then the remaining fee will be due just **four weeks prior** to the big day.

Once the deposit has been received, I will follow up with your wedding event form which allows you to tell me a little more about your day (colour scheme, song choices, which other suppliers I'll be working with etc).

How do we chat through our wedding plans?

I love hearing about all your plans for the big day!

I'm contactable via email, on socials or at the end of the phone all throughout your preparations.

About **three months prior** to your wedding, I like to arrange our **wedding consultation video chat** (a complimentary service when you book with me).

Or for a small additional fee (mainly to cover fuel!) we can meet in person to run through your final song choices, confirm timings etc.

I always aim to respond to your messages within 24 hours.

Can we tailor packages to our day?

Of course!

If my package descriptions don't quite meet your needs, please do let me know and we can work together to create bespoke playlists and timings together for your special day.

Benefits of booking a wedding singer

Live music on your wedding day is such a beautiful addition as it totally sets the tone & vibe, creating a stunning atmosphere for you & guests.

There can be moments throughout your day where you might enjoy some private time together as newlyweds, or indeed mingle with your family & friends so some light entertainment can really keep your guests captivated and engaged, creating memories at every moment.

How do we choose our songs?

I have a large, varied song list which
is available on my website:

meghanrae.co.uk/listen

Or you can check out on my
Instagram highlights page.

I'll attach my current song list
along with your booking confirmation
so you can highlight your favourites
in time for the big day.

This will also include a list of popular
ceremony / first dance songs,
just in case you need some extra inspo!

Guest Arrival

5-6x songs - a 20 min set to welcome your
guests as they take their seats
pre-ceremony

The Ceremony

1x your bridal entrance aisle
3x for the signing of the register
1x exit aisle song as newlyweds

Drinks Reception / Canapes

For a two-hour drinks reception,
I suggest selecting **25-40 songs**.

Wedding Breakfast

Likewise, for a two-hour wedding
breakfast, I suggest **25-40 songs**.

Room Turnover

For your 60-90 minute room turnover,
I suggest **15-25 songs**. And of course, you
will need to choose just that one
'special song' for your **first dance**.

Early Evening

For your 90-minute up-tempo party set
(pre band / late night DJ)
I suggest picking **25-30 songs**.

And by the way...

It is entirely up to you if you'd like
to pick out your entire playlist!

You are however more than welcome to
select a handful of your favourites and I
can then tailor the rest of the sets to your
preferred style alongside popular,
well known tunes.

We can't see our song on your list, can you learn it?

Definitely! If you can't see your favourite
songs on my list, I can absolutely learn your
requests for your special day.

If I need to arrange a bespoke
backing track with a producer, there will be
a small additional fee of £25.00 per song
to cover the creators fee and my extra
rehearsal time.

When do you arrive at our venue?

I aim to arrive at your venue approx. 60-90 mins prior to the performance start time to get familiar with the venue, set up my equipment, sound check and meet with your event planner/registrar.

Do you have insurance?

Yes, I am fully insured with public liability up to £5million and professional indemnity up to £2million.

My equipment is also fully PAT tested and tested regularly.

I can send copies of certificates to you & your venue on request.

Where are you based and do you travel?

I'm based in Brixham (Torbay, Devon) and can travel wherever you need me to be! My first hour of travel is included within my price. After that, there is an additional fee of 0.60p per mile to get me safely to your venue.

Should I perform during your evening party and the travel exceeds three hours from point A to B, I will need to arrange overnight accommodation (I will provide a separate quote for this if necessary).

Is there anything you need at the venue on the day?

I travel very light as a 'one-woman band'. I use a Yamaha Stagepas 1K tower speaker system and have an additional Yamaha DBR12 speaker system should we need a little more 'oomph!'

I will need access to mains electricity, but I carry long extensions cables with me to every gig, so the sockets don't need to be directly near the stage/performance area.

Space wise, I only need a small area to perform, 2m sq minimum.

Can we use your speaker system for speeches / music throughout the day?

You are more than welcome to use my equipment on your big day.

I can create a playlist for you which can be played during quieter moments of the day / over your wedding breakfast etc.

Alternatively, you or a designated guest can prepare a playlist and connect the device to my equipment (just please remember to bring along the correct charger lead!)

For speeches, I will be on hand to make sure the levels are correct, so you can be heard clearly!

How long do you stay with us on the day and how long does it take to pack down?

Packing down takes approx. 30 mins after I have performed your final song.

There have often been times I've been asked to stay and perform for longer, which I absolutely love and will say YES to, providing I don't have any personal commitments/obligations that I need to leave for.

When you book me for your wedding day, you are my one and only booking that date. I don't greedily 'double up' with any other gigs so you can be rest assured your day is my one and only priority.

And if you'd like me to stay and party the night away with you, I would absolutely love that too!

More questions?

If you have any other questions, my dms are always open so please do ask away!

Kind words...

"I had followed Meghan on Facebook for 12 months thought she was amazing. We live 180 miles away and really wanted her to sing at my sons and daughter in laws wedding. Didn't think it would happen as we were so far away. I got in touch and she said she would. She was fantastic. She did their first dance song and sung for 2 hours. Everyone one was up and dancing just what I wanted. She was worth every penny."

"Thank you SO much for being the most amazing singer we could have had at our wedding. Your voice is absolutely beautiful and we feel so lucky to have had you as part of our day. We are also so grateful for your flexibility, for staying for that extra set (which we think is one of the best decisions we made - you made such a difference to the evening, particularly with the wet weather!!), even performing our first dance for us, and also for just being such a lovely person and a joy to work with. Everyone has told us how fantastic you were and we just wanted to make sure you know. Thank you again."

"OMG!!! What a voice. I booked Meghan for my wedding to sing at the ceremony and reception. She was absolutely amazing! All my guests were amazed at her voice! She was the perfect touch to a beautiful day. I will forever remember your voice and watching your videos back I know you were perfect for us! What a beautiful soul you are, kind and I felt like you weren't just my singer, you were my friend. Thank you so so much!"

"Thank you for being our daytime singer at our wedding. You were exactly what we needed for our reception. We had so many people asking who you were and saying how amazing your voice is. You fitted in so well and made everything perfect for our reception. Thank you for introducing us when we arrived, it felt so special!!"

"Thank you Meg for making our day even more magical! I held back the tears when you sang at our ceremony and the guests loved you at the reception. Absolutely professional and the sweetest lady."
